

Grooming/Bathing Admittance Form for “\_\_\_\_\_” Last Name \_\_\_\_\_

Our grooming/bathing service includes a bath and cut with special attention to anals, ears and nails. While your pet is here we do not offer food, but water is kept with him or her the entire time. Grooming is done throughout the morning and early afternoon. The groomer will call you when he or she is done, but please feel free to call and check on the status of your pet. If you request an earlier time please let the receptionist know. We do not offer refunds on grooming; if you are not completely satisfied with the cut please contact the groomer as soon as possible.

**We discourage leaving any personal property here. In the event items are left here, Reston Animal Hospital is not responsible for any lost or damaged items (not including food and medications).**

A cat or dog at an animal hospital sometimes becomes more stressed and aggressive. In these circumstances we offer sedation for their safety and ours. If you request this service your pet should have been fasted this morning. Also, please fill out the following: In preparation for anesthesia, it is required that all animals have bloodwork completed prior to the procedure. Past bloodwork is acceptable if performed in the last 6 months and results were normal. There are 2 presurgical panels we offer; a mini panel and a full panel. If your pet is over 8 years of age the full panel is required. Fees for blood testing are in addition to the grooming prices. Heartworm tests must be current before anesthetic procedures.
